

GROUNDWORK

WHO ARE WE?

Groundwork is for any post-college age young adult excited to develop relationships with other like-minded young adults. The immediate “post-college” years are filled with constant change; challenging one’s ability to connect deeply with other Christian friends. Groundwork’s purpose is to help 20 and 30-something young adults -- whether single, married, professional, grad student or anything in between -- get rooted in a community of believers that will encourage them in their walk with Christ, further equip them with the power of His Word and push them to engage in their community to share the Bible’s life changing message!

BE ENCOURAGED

It is important to surround yourself with other like-minded friends to encourage you in your walk with Christ. Good in theory -- but not always easy to make happen. Let us help you:

- Join us the first Wednesday of every month as we get together for the sheer purpose of getting to know one another. “Like us” on Facebook so you can be in the know of the “who, what, when and where” each month.
- Join a LIFEgroup. These groups meet regularly for the purpose of encouragement, prayer, accountability and fun! Sign up today at www.emmanuelcommunity.org.

BE EQUIPPED

Starting in September we will have a whole new series of Grow classes ready for you to plug into! What is Grow? It’s a unique study created by Pastor Miller that follows specific themes through the Scriptures while providing memory tools to help you remember what you’ve learned.

Already taken Grow? New this year! Join us for a series of “Grow Ministry Training” courses that will encourage, equip and train you in your walk and service. MORE INFORMATION AND REGISTRATION FORMS AVAILABLE THIS WEEKEND IN YOUR BULLETIN!

ENGAGE IN YOUR COMMUNITY

We are not given opportunities to know the Lord and His Word more in order to keep it to ourselves. We are told to go out and make disciples! How do you do that? Engage in your community! Establish relationships with your neighbors, your co-workers, the grocery store clerk, the mail man. Just be real! Relationships...authentic expressions of interest in the lives of others...is the best way to show Christ’s love through us. We are called to love our neighbors as ourselves. So what are you doing to engage in your community?
