Today's Message

Here Come the Doubters (4 of 4)

Doubting Because of Our Identity

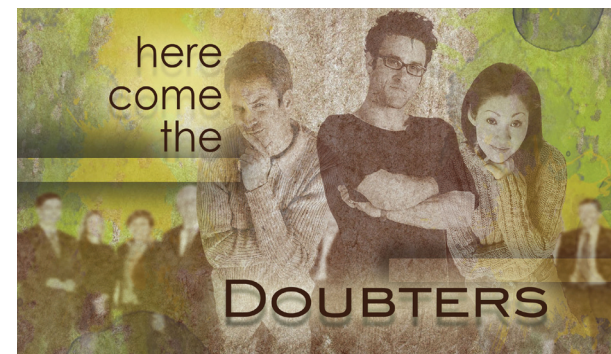

John 7:40-53

Pastor Dennis Miller
lead pastor

Today's Focus

Today we conclude our series on doubting, understanding that there are some people who won't even consider the evidence. These type of people are so entrenched in their identities that they will not even consider other options. We will learn that we must carefully consider the evidence rather than using our "labels" to determine what we believe.
