## Today's Message

Surrender

### Today's Focus

It's not surprising that today's message is going to encourage you to take a look back, and a look forward in time. As we do, we are going to interact with a passage in which Jesus continued to teach His disciples what is going to be expected of them looking forward. In one verse, we will begin to see what a surrendered life looks like and what we can expect in the process.
