P A R E N T S

The best way to stay informed about whats going on in ECC Student Ministries is to sign up for our weekly "5 Things" e-newsletter. To do so, just email *Carla* at ctruesdale@zccfw.org. We've got some of the greatest volunteer Adult Youth Leaders imaginable! The student ministry would be impossible without their love for God and for students. Each one of them have submitted a volunteer application and have undergone background checks. Let any of the youth ministry staff know if you are interested in joining our team.
